FULLY RESTORED IN THE HEART OF DOWNTOWN

Spark inspiration at the newly transformed San Antonio Marriott Rivercenter, where sophisticated venues are brought to life by true Texas hospitality. Set on the River Walk near Henry B. Gonzalez Convention Center, our hotel features 1,000 guest rooms and suites, an exclusive M Club lounge and more than 90,000 square feet of event space.

Our extensive redesign included all accommodations and common areas, along with an expansion of our event space by more than 11,000 square feet. We're also excited to introduce two new dining outlets: Tributary restaurant and Café Bocado market. Across all areas of the hotel, this reinvention was centered on elevating our guest experience with a more modern design.

- Enhanced cleaning protocols
- Linen-less tables
- Signage encouraging social distancing and mask requirements in meeting rooms and public areas
- Reduced capacity at fitness center and pool
- Social distance floor plans
- Grab-and-go breakout options and queue management for buffet-style meals

And for those who wish to plan their event remotely, we offer virtual tours of our meeting spaces with socially distant setups via video conference.
